

CFI/DPE Forum

Terry Sondag, UAL B777 Captain, Retired, FAA-DPE will cover the art of preparing students for practical tests from the appropriate ways to present the paperwork to the actual preparation of the applicant. Rick Rawlings, UAL, B756 Captain, FAA DPE will try to make the arcane subject of Commercial Pilot Privileges and Limitations understandable and sensible. Rick Hill, UAL B756 Captain, LCA, FAA-DPE will cover MMELs, MELs, Equipment Lists, and inoperative equipment both with and without a MEL. Speaker TBD will cover a small subset of SEAs, mostly dealing with SRM

Directions: In the DWH airport restaurant attached to Gill Aviation. Dinner will be provided free of charge.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
